**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND DISCLAIMERS  
REGARDING THE DEBTORS' MONTHLY OPERATING REPORTS**

On March 17, 2025, the above-captioned debtors and debtors in possession (collectively, the “Debtors”), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”).

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the Debtors’ monthly operating reports (collectively, the “MORs”).

- 1. Basis of Presentation.** The Debtors are filing their MOR solely for purposes of complying with the monthly operating requirements applicable in the Debtors’ chapter 11 cases. The MOR is in a format acceptable to the U.S. Trustee for the District of Delaware (the “U.S. Trustee”). The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

In preparing the MOR, the Debtors relied on financial data derived from their books and records that were available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance

A complete list of such information may be obtained on the website of the Debtors’ claims and noticing agent at <https://www.veritaglobal.net/vreg>.

that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR.

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

2. **Consolidated Entity Accounts Payable and Disbursements Systems.** Cash is received and disbursed by the Debtors as described in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, (D) Continue Intercompany Transactions; (II) Confirming Administrative Expense Priority for Postpetition Intercompany Claims; and (II) Granting Related Relief [D.I. 7]* (the "Cash Management Motion") to the extent approved in the order granting the relief requested in the Cash Management Motion on an interim basis [D.I. 67] and a final basis [D.I. 238].
3. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
4. **Payment of Pre-Petition Claims Pursuant to First Day Orders.** The Bankruptcy Court has entered orders authorizing, but not directing, the Debtors to pay, among other things, certain pre-petition (a) employee wages, salaries and other compensation and benefits [D.I. 63 (interim relief) and D.I. 186 (final relief)]; (b) obligations related to the use of the Debtors' cash management system [D.I. 67 (interim relief) and D.I. 238 (final relief)]; and (c) taxes and related obligations [D.I. 64 (interim relief) and D.I. 187 (final relief)] (a)-(c) collectively, the "First Day Orders"). To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.

5. **Insiders.** For purposes of this MOR, the Debtors defined “insiders” as provided in 11 U.S.C. section 101(31) of the Bankruptcy Code during the relevant time period. The Debtors do not concede or take any position with respect to (a) such person’s influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or any other purpose. Further, the inclusion of a party as an “insider” solely for purposes of this MOR is not an acknowledgement, admission, or concession that such party is an “insider” under applicable bankruptcy law.
6. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors’ rights or an admission with respect to these chapter 11 cases.
